The Man of Means

If the wealthiest man in town owed you some money and you went to collect it, would he hand you the money or would he write you a check?

The chances are ten to one you would receive a check. Why? Because the wealthiest people in the community keep their money in the bank. They know it's safe there, and they know that when they pay by check there is never a chance to dispute the account. If it's a good thing for the people who have plenty of money why wouldn't it be a good thing to follow their example? We will be glad to open an account with you. large or small The size doesn't count. Small deposits are looked after as carefully as larger ones.

As the subject for the weekly essay the schoolmaster asked his pupils to say what they could do if they had 5 million dollars.

At once all heads were bent save one, and pens scratched busily The one exception was little Willie. He calmly sat doing nothing twiddling his fingers and watching the flies on the ceiling

"How's this, Willie?" asked the muster. Is this your essay? Why all the others have written at least two sheets, while you do nothing."

"Well," replied Willie, "that's lionarire"-Ex

W. T. Youell, Auct Why I love that man as a father and I have cause to! Doctor Blank is making sacrifices in giving up his noble profession so as to accept the mayorality of this glorious town, and if you accept him as your mayor you have a man beyond reproach Why do I love him? He i the man who brought me into the world!" An attendant called his attention to the fact that Doctor Blake was a veterinarian, but the speaker was a politican and next to his job. His immediate reply was: "I always knew I was born an ass."
